

THE HOSPITAL OF ST. CROSS

RUGBY

57th ANNUAL REPORT

FOR THE YEAR ENDED
31st DECEMBER. 1940

NOTICE TO SUBSCRIBERS

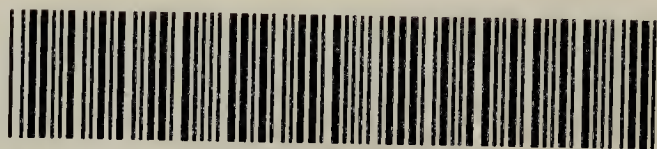

If you are willing to contribute to the Hospital £1 or upwards annually for seven years, and will sign a Deed of Covenant, the Hospital will benefit to a greater amount than your annual contribution, AT NO EXTRA COST TO YOURSELF.

This benefit arises from the provisions of Section 20 of the Finance Act, 1922. An annual subscription paid under such a covenant will be treated as a net payment after deduction of Income Tax. The tax which has been paid may be recovered by the Hospital by reason of the fact that the income of Hospitals is exempt from tax.

With Income Tax at 10/- in the £ an annual subscriber of £1 1s. 0d. may benefit the Hospital by a further £1 1s. 0d. The subscriber pays the same amount as before, but the Hospital revenue is increased by 100%.

Further information will gladly be supplied by the Superintendent and Secretary, The Hospital of St. Cross, Rugby.

The form facing page 74 may be used if desired.

GENERAL.

WORK OF THE HOSPITAL.

The work of the Hospital of St. Cross during 1940 and the previous year was as follows :—

IN-PATIENTS.						1940.	1939.
Number of patients in Hospital at the beginning of year						91	100
Number of admissions						2,130	1,870
Number of patients remaining at the end of the year						146	91
Number of patients treated to a conclusion						2,065	1,879
Average number of patients resident daily						122.5	108.27
Average number of days each patient was resident						21.1	23.3
Major operations						838	796
Minor operations						846	905
Number of deaths						158	140

The number of in-patients treated during the year was the highest ever recorded since the opening of the Hospital. After working at exceptionally high pressure for most of the year it has become evident that the provision of additional beds is an essential condition for efficient working in the future.

OUT-PATIENTS.				1940.	1939.
Number of new out-patients	3,426	3,932
Number of casualties	2,529	2,047
Number of attendances (Out-patients and casualties)	22,377	20,107
Number of Massage Dept. attendances	6,739	6,137
Number of X-Ray Dept. attendances	2,783	2,789
Total attendances of all Out-patients, casualty and massage patients	31,899	29,033

ORTHOPAEDIC DEPT. AND FRACTURE UNIT.

	1940.
Number of In-patients admitted to the Sun Pavilion	561
Number of Fractures	171
Number of fractures treated in the Out-patient Dept.	460

The figures of out-patient attendances indicate the wisdom of the decision taken some years ago to provide this department and the work is increasing to such an extent that the Board may soon have to consider the completion of those sections of the building which were left unfinished when the department was erected.

In this report are included some figures illustrating the work which is being done in the Sun Pavilion, the most recent extension to the Hospital building, apart from the nurses' home. The orthopaedic department and fracture unit has often been praised by visiting surgeons, and the fact that a comparatively small hospital like the Hospital of St. Cross has such a busy and efficient orthopaedic department attached to it is a source of great satisfaction to the members of the Board.

FINANCE.

The total expenditure of the Hospital on maintenance account amounted to £24,790 4s. 5d., including the sum of £527 13s. 1d. which was paid to the Bank to clear off the outstanding debit balance on the No. 1 Extension account. The income for the year amounted to £24,174 14s. 0d., leaving a deficit on the year of £615 10s. 5d. After including the accumulated overdraft on the General Deficiency Account as at the 1st January, 1940 the total overdraft on the Hospital General Account at the end of the year was £4,879 3s. 4d. The expenditure of the Hospital

increased substantially during the year, chiefly as a result of rising prices which affected all sections of the Hospital. It is encouraging to realise that nearly sufficient income has been made available to meet the increased costs.

The Board is deeply grateful to the Rugby and District Association of Hospital Contributors for the large measure of support that was received from contributors to the "1d. in the £" Scheme, amounting to the record figure of £15,700, without which the Hospital would not have been able to carry on. Annual subscriptions amounted to £1,154 14s. 9d., including the sum of £200 generously contributed by the President, Mrs. Arthur James. Contributions from employers amounted to £1,663 and to this figure should be added the donation of £500 from the Directors of the Rugby British Thomson-Houston Co. Ltd. The Hospital also benefited from the estate of the late Mr. C. H. Fuller, who bequeathed a legacy of £1,200 to be handed to the Trustees as an addition to the endowment funds.

SPECIAL EFFORTS.

In 1940, for the first time for many years, there was no Carnival for reasons not unconnected with the war. The Board sincerely hope that this successful effort may be resumed when the war is over.

The Board were once again indebted to Mrs. Arthur James for her kindness in opening the grounds of Coton House for the Daffodil Display in April, 1940, and so enabling £51 12s. 5½d. to be raised for the funds of the Hospital.

Egg Week resulted in nearly 18,000 eggs being collected. The schools of Rugby and district again helped in this effort, and the Board is grateful to all the teachers and scholars who assisted.

Alexandra Rose Day on 29th June was most successful, thanks to the support of the town and district superintendents and an enthusiastic body of voluntary collectors. The funds of the Hospital benefited by a net profit of £327 compared with £188 in the previous year. 'Pound Day' was once again successful in spite of the difficult times.

At the end of the year the annual Christmas Box appeal was organised by the Rugby and District Association of Hospital Contributors. The net profit shown when the books closed amounted to £231 with many more boxes still to be counted. The Board is most grateful to all who have helped to raise funds during the year by means of these and other special efforts of all kinds.

OBITUARY.

The Board of Management have to record with very deep regret the death of one of its members, Mrs. C. H. Fuller. Mrs. Fuller had been a member of the Committee for a great number

of years and her services to the Hospital were invaluable. She had held office as Honorary Secretary of the Ladies' Committee and will be remembered by those who knew her for the very many acts of kindness which she performed during her lifetime. The Board regrets the passing of one who had given loyal and devoted service and who will be very difficult to replace.

PERSONAL.

During the year the resignation of Archdeacon R. Brook from the Board of Management was received with regret in consequence of his leaving Rugby to become Bishop of St. Edmondsbury and Ipswich.

The following changes took place on the Honorary Medical and Surgical Staff:—Dr. J. R. Owen was appointed Honorary Assistant Surgeon; Dr. P. Tyson Davidson was appointed Assistant Orthopædic Surgeon; Dr. E. N. Jenkinson was appointed as Clinical Assistant to the Anæsthetic Department. All these appointments are temporary for the duration of the war. The Board of Management approved an alteration in the title of Dr. Davidson's appointment from that of Assistant Surgeon in the Ear, Nose and Throat Department to that of Honorary Surgeon to the Department.

Members of the Board, the Honorary Medical Staff and others who are at present on active service with His Majesty's Forces include Mr. N. Edyvean-Walker, Vice-Chairman of the Board, Mr. C. R. Evers, Col. Sir C. V. Holbrooke, Dr. J. A. Wakes Miller, and Porters R. Sharland and W. Hussey.

Early in the year, the Superintendent and Secretary, Captain W. Cockburn, D.S.O., M.C., tendered his resignation on being offered the appointment of Deputy House Governor at the Royal Hospital, Wolverhampton. The Board accepted Captain Cockburn's resignation with very great regret, at the same time wishing him success and happiness in his new appointment. At the monthly meeting of the Board held on 29th June, the Chairman made reference to the great work accomplished by Captain Cockburn during the past 14 years and presented him with a cheque on behalf of all members of the Board.

Sixty applications were received for the position of Superintendent and Secretary, and the Board appointed to the position Mr. Harvey Race, F.C.I.S., F.H.O.A., who had previously held positions as Secretary of the Winford Orthopædic Hospital, Bristol, and Assistant Secretary to the Doncaster Royal Infirmary and Dispensary.

At the Annual Meeting in March, 1940, the Governors recognised the extremely valuable services which have been rendered

by Mr. Taylor, Chairman of the Rugby and District Association of Hospital Contributors, by appointing him as a Life Governor.

The Board are pleased to learn of the honour conferred on Dr. C. R. Hoskyn by his appointment as a Serving Brother of the Order of St. John.

HOSPITAL EXTENSIONS.

In spite of the difficulties due to the war, the Board have not suspended all the schemes of building developments which have been put forward during the past two years. As reported last year, the erection of the Paying Patient Extension is indefinitely postponed. The Board decided to go ahead with the Feilding Memorial Extension to which reference was made in the previous Annual Report, and work has commenced on the provision of two small ophthalmic wards attached to the Arthur James Out-Patient Department. Arising out of this development, the Board approached the Committee of the Rugby Orthopædic Clinic and invited them to help in the fitting out of the basement under the Feilding Memorial as an extension to the Orthopædic Department. Through the good offices of Dr. C. R. Hoskyn and the Trustees of the Sam Robbins Memorial Fund the sum of £258 13s. 9d. was placed at the disposal of the Board for the purpose of extending the Massage Department as a memorial to the late Mr. Sam Robbins, and for providing a treatment bath in this extension, which will be an invaluable addition to the services provided for orthopædic cases, especially those suffering from infantile paralysis. The Board acknowledge with gratitude the co-operation which they have received from the Rugby Orthopædic Clinic.

For a long time the Board of Management has been interested in the urgent need for the rebuilding of the Hospital Laundry, and the provision of additional accommodation for the domestic staff as a part of this development, which is regarded by all as being long overdue. The Board referred the matter to the Trustees of the Hospital with a request that a long term loan should be granted for the carrying out of this scheme, and are pleased to report that the Trustees gave their approval. It will now be for the Buildings Committee to prepare a suitable scheme for the consideration of the Board as soon as conditions become favourable.

During the year the pressure on the bed accommodation became increasingly acute, and the Board accepted a recommendation of the Buildings Committee to provide seven additional beds by the construction of a small four-bedded ward on the ground floor near the men's wards and a three-bedded ward over the flat roof of the men's separation ward. It was estimated that the cost of such a scheme, which would afford immediate relief, would be

in the region of £1,500. At the present moment the scheme has been held up owing to the fact that the builders to whom the contract was given are doing other urgent work at the Hospital.

After protracted negotiations the Board are pleased to report that the Ministry of Health have consented to the erection of a gas cleansing station adjoining the Reception Room of the Out-Patient Department, and while it is hoped that this extension will not be required for the purpose for which it is erected, the fact that it will be provided for use in case of an emergency is very gratifying to the Committee as a satisfactory conclusion to their consultations with the Ministry.

It is now clear that at an early date it will be necessary for the Board to consider its future policy with regard to extensions of the Hospital as a whole, in order that the potential demands on the services of the Hospital may be adequately met.

ACKNOWLEDGMENTS.

The Board of Management conclude their report for 1940 by placing on record an expression of their sincere gratitude to all who by their generosity, self-sacrifice and personal influence have helped forward the work of the Hospital during a most difficult year. It is quite impossible to mention by name all who have contributed in one way or another, but the following are deserving of special mention :—

The Honorary Medical, Surgical and Specialist Staff, who have completed another year of devoted service to the Hospital and who have always been ready to meet increasing demands on their services, whether by day or by night.

The Honorary Officers for valuable assistance during the year.

Miss L. E. Shaw (Matron) and the Nursing Staff for their willing services during 1940. The gratitude expressed by the patients testifies to their untiring devotion to duty and sympathy for the patients under their care.

The Chaplain and the Clergy and Ministers of Rugby and district whose frequent visits to the patients in the wards are much appreciated.

The Honorary Auditors, Messrs. Atkinson, Finch and Co. whose help in auditing the somewhat complicated accounts is highly esteemed.

All who helped in any way to enable the Hospital to perform its allotted task during the days that followed the bombing of Coventry in November, 1940.

The members of the Ladies' Committee, Brookfield Sewing Party, and the Ladies' Linen League, for much voluntary work accomplished during the year, which has been greatly appreciated.

The President (Alderman J. T. Fleet), Chairman (Mr. T. Taylor), and the members of the Rugby and District Association of Hospital Contributors. The Board deeply appreciate the continued loyal support which is willingly given by all members of the Scheme, including the voluntary collectors.

The Chairman (Mr. W. Jones) and members of the Hospital Saturday Committee, and the Sportsmen's Bed Hospital Fund Committee.

The *Rugby Advertiser* for their great help in placing the work and needs of the Hospital before the public.

The British Red Cross Society, also the St. John Ambulance Brigade, Senior and Junior Division.

The members of the various Civil Defence Organisations in the town and the voluntary organisations attached to the Hospital for a great deal of kind co-operation.

The officers and members of the St. Cross Volunteer Fire Fighting Service and Stretcher Bearer parties.

All subscribers, donors and others who have given financial support, especially those who have asked to be "anonymous," also all those who have sent gifts in kind, silver paper, etc.

To members of the Staff who in all departments have gained the appreciation of the Board for carrying out their duties faithfully and well for the benefit of the patients.

To all friends, known or unknown, who have helped in any way during 1940, the Board tender their most grateful thanks in the confident hope of receiving their renewed support in the years to come.

Signed on behalf of the Board of Management.

Ladies' Committee Annual Report, 1940.

Monthly meetings have been held and the Wards visited regularly by members of the Committee.

It was with great regret that the Committee received the resignations of Mrs. Taylor and Mrs. Edyvean-Walker during the year. Mrs. Taylor had given long and invaluable service to the Hospital as a member of this Committee, and was the able and interested Chairman of the Library Sub-Committee. Mrs. Edyvean-Walker felt that owing to pressure of War work for the W.V.S. she could not give enough time to her duties on the Ladies' Committee and resigned her place for the duration of the War. These vacancies were filled by Mrs. Arrol and Mrs. Williams.

The Library has had a satisfactory year's record, and on Mrs. Taylor's resignation Miss Macaulay consented to become Chairman of the Sub-Committee and has carried on the good work since July. She has submitted a quarterly report to the Ladies' Committee, and has had bound several copies of "Penguin" books, which will prolong their period of usefulness. The binding was very kindly done by Mrs. Seabroke, who also offered to teach members of the Committee how to bind these books. The thanks of the Ladies' Committee are due to Mr. Reece, the Assistant Librarian at the Temple Reading Room, who very kindly helped with the re-arrangement and catalogue of the Library books. Modern novels are always in request in the Wards, and are very welcome to add to the Library.

The Brookfield Working Party has made and mended a large number of articles, and as usual has made a real contribution towards the work of the Hospital.

The Ladies' Committee again helped in connection with Rose Day and the Egg Collection in the Spring.

Ladies' Linen League 1940.

The Committee of the Linen League, which acts as a Sub-Committee from the Lady Visitors' Committee, is constituted as follows:---Mrs. Lyon (Chairman), Miss Kittermaster (Hon. Sec.), Mrs. Edyvean Walker (Hon. Treasurer), Mrs. Kittermaster (*ex-officio*), Mrs. Channon (*ex-officio*), the Matron of the Hospital (*ex-officio*), Mrs. J. Gilbert, Mrs. Loverock, Miss H. Macaulay and Mrs. Parnell.

We have much pleasure in stating that the Rt. Hon. the Earl of Denbigh has consented to become Patron of the Linen League, in succession to his late Grandfather, who had held the position ever since the League was formed, and also that Viscountess Wimborne has consented to become a Patroness.

The Annual Meeting and Display of Linen took place at the Church House, Rugby, on May 31st, 1940; when 618 articles were on view, having been made, collected, or bought during the previous twelve months. This was about half the number collected in 1939. The Subscriptions were well up to the total of the previous year, but the drop in the number of articles was accounted for by the big rise in the price of goods.

Owing to the need of extra beds for Air Raid Casualties, and the big increase in the population of Rugby and district due to the War, the needs of the Hospital of St. Cross are greater than ever, and are all the time increasing, so that we want, and ask for, even more support than in previous years. At the same time we wish to thank those who already help us, and take such a personal interest in the work of the Linen League.

NAN E. LYON (*Chairman*).
DOROTHY R. KITTERMMASTER (*Hon. Sec.*).

Matron's Annual Report 1940.

In spite of the many difficulties arising from the war, the Nursing Staff numbers have been well maintained during 1940.

On December 31st, 1940, the Staff consisted of seven senior sisters, four junior sisters, one State registered staff nurse, two nurses completed training, 34 nurses in training, 1 male nurse and 4 members of the Civil Nursing Reserve.

A new rank was created in the Nursing Staff this year. In July last, four State registered staff nurses with special experience were promoted to be junior sisters.

This was done to ensure a sufficiency of trained staff in the event of numbers of casualties being received, and it proved to be a wise and successful move.

A male nurse has also been appointed to the men's ward, and is a great help in this department.

Thirteen probationers were accepted for training during the year, and six nurses completed training.

Ten nurses passed the State examinations, six the final, and four the preliminary.

The Hospital certificate of training and the Hospital badge were granted to the six nurses who became State registered. The thanks of the nurses in training are due to the members of the Honorary Medical Staff who so kindly gave lectures during this very difficult year.

The presentation of the gold medal and prizes to nurses in training was made by the President, Mrs. Arthur James, at the Annual Meeting in March. The gold medal presented by the English Electric Company was awarded to Miss Margaret Coffey, who now holds the position of Junior Sister in the Hospital.

Changes during the year included the Night Sister, Childrens' Ward and Theatre Sister. One left to take another certificate, one to be a holiday sister and one left to be married.

The two housekeeping pupils of the year obtained good appointments, one as Matron of Belmore Hospital, Dumbartonshire, and one as Housekeeping Sister at the City General Hospital, Leicester.

Owing to enemy action in Coventry and to a lesser degree in Rugby, the emergency nursing arrangements of the Hospital were called upon on several occasions. The Nursing Staff responded to these calls with prompt and willing service. The members of the Civil Nursing Reserve and of the St. John Ambulance gave most valuable help in these emergencies.

The work of the members of the St. John Ambulance, under Miss Selvester, every Sunday during the year has been much appreciated, and has been a great help to the Nursing Staff.

The social activities of the Whitley Council have been somewhat curtailed owing to the war. Several successful dances were held earlier in the year but latterly, because of the rationing difficulties, the black-out and the constant possibilities of air raid casualties, it has not been possible to continue the dances so regularly.

The thanks of the Nursing Staff are due to Mr. Thomas, the former Independent Chairman of the Whitley Council, and to Mr. C. R. Evers for obtaining for them the privilege of using Rugby School hard tennis court, and also the School swimming bath. This great privilege has been much appreciated and enjoyed by all the staff.

It is expected that the coming year will present even greater difficulties and problems than those of 1940, but it is hoped to continue the important work of the training school, and to meet the emergencies adequately, as they arise.

(Signed) L. E. SHAW, Matron.

14TH ANNUAL REPORT

(FOR THE YEAR 1940).

GENERAL OBSERVATIONS.

I have much pleasure in presenting the 14th Annual Report of the Rugby Association of Hospital Contributors operating the " 1d. in the £ " Scheme. The Contributory Scheme has made steady progress during the year 1940 and as a result of the high level of employment in the district, contributions have reached a record total. Owing to the war, the special activities of the Association again had to be curtailed. For the second year there was no hospital fete. The loss of this source of income offset to a certain extent the general increase of the income of the scheme. While the continued loyal support of all employed workers and contributing managements gives cause for optimism, it is important not to lose sight of the fact that difficult times may be experienced after the war. It is therefore advisable for all who have the welfare of the Hospital of St. Cross at heart to conserve its resources now, while not reducing the efficiency of its services.

FINANCIAL POSITION.

The contributions resulting from the operation of the " 1d. in the £ " Scheme total £15,700 for 1940, as compared with £12,715 in 1939.

	1940.	1939.

SERVICES TO CONTRIBUTORS.

In 1940, 1,193 contributors or their dependents received in-patient treatment at the Hospital of St. Cross, compared with 1,221 in-patients during 1939. In the Arthur James Out-Patient Department, 3,500 out-patients received treatment as members of the Scheme, compared with 3,484 in 1939.

PERSONNEL.

At the 13th Annual General Meeting held on 20th March, 1940, Alderman J. T. Fleet was re-elected President of the Association ; Dr. C. R. Hoskyn and Mr. S. J. Woolmer, Vice-Presidents; Mr. T. Taylor, Chairman ; and Mr. S. Foxon, Assistant Secretary.

Mr. A. H. Gardner was elected to the Board of Management as a country representative, and Mr. S. Foxon, Mr. B. J. Smith and Mr. T. Taylor were elected town representatives, all for a term of three years.

The following 12 members were elected to serve on the Executive Committee :—

Miss. Elsee.	Mr. L. C. Higgs.	Mr. E. J. Prince.
Mrs. Samuelson.	Mr. W. E. Hobbs.	Mr. T. G. Taylor.
Mr. W. Busby.	Mr. A. Mochrie.	Mr. H. Thompson.
Mr. J. A. Feazey.	Mr. W. Moses.	Mr. P. E. Warden.

Mr. S. E. Cooper was elected Vice-Chairman.

Representatives of the Executive Committee on sub-committee of the Board of Management were as follows :—

House Committee	Mr. A. Hendry.
Buildings Committee	Mr. T. Taylor.
Finance Committee	Mr. S. Foxon (co-opted).

Mr. T. Taylor also served on the General Purposes and A.R.P. Sub-Committees. Mr. A. G. Jones was elected a member of the official side of the Whitley Council for the Nursing Staff.

The Executive Committee record with regret the death of Miss Julia Townsend, who had been a voluntary collector for the village of Kings Newnham since 1928.

In June, 1940, Captain W. Cockburn, who had been Secretary of the Association since its inception, resigned, upon relinquishing

his appointment as Superintendent and Secretary of the Hospital of St. Cross to take up an important position at the Royal Hospital, Wolverhampton. At a meeting of the Executive Committee the members expressed their regret that Captain Cockburn was leaving Rugby and wished him the very best of good luck and success in his new appointment. The Committee presented Captain Cockburn with a fitted travelling suitcase as a token of the appreciation which they felt for the great services he had rendered to the Hospital during the past fourteen years.

In virtue of his appointment as Superintendent and Secretary of the Hospital of St. Cross, Mr. Harvey Race took up office as Secretary of the Association on the 24th June, 1940.

SPECIAL EFFORTS.

THE EGG COLLECTION in 1940 produced nearly 18,000 eggs for the Hospital, compared with 25,000 in 1939. The reduction was not unexpected in view of war-time conditions and the outlook for 1941 is even less promising, but the effort will be continued as every egg that can be spared for the Hospital is a valuable addition to the patients' dietary.

THE ALEXANDRA ROSE DAY was held on the 29th June and proved highly successful, the net profit amounting to £327, compared with £188 in 1939.

THE POUND DAY effort was held in September, 1940, and was remarkably successful.

THE HARVEST FESTIVAL SERVICE was held on Sunday, 21st September, and was well attended. The Rector of Rugby conducted the service, assisted by the Rev. J. E. Large and the Rev. C. Lester-Johnson. The sermon was preached by the Rev. W. A. H. Elliott, Minister of the Rugby Congregational Church.

CHRISTMAS BOX APPEAL.—In spite of unprecedented difficulties the annual Christmas box appeal was again organised and by the end of the year a net profit of £231 had been made, with many boxes still coming in for counting. The Executive Committee offered to devote a portion of the proceeds of this appeal to the purchase of an Audiometer for use in the Ear, Nose and Throat Department. The Board of Management gratefully accepted this offer and it is proposed to hand this new piece of apparatus over to the Hospital at a forthcoming meeting of delegates.

VISITS TO HOSPITALS.—On June 1st a party of 14 members of the Executive Committee and their friends visited the Middlesex Hospital. The visit was very much enjoyed by those who took part, and the Committee desire to place on record an expression of their sincere thanks to Mrs. Arthur James and the Secretary of the Middlesex Hospital for their kindness in affording facilities for

the visit. It is hoped that the practice of visiting other Hospitals will be resumed, though for the present it may be necessary to visit some of the Hospitals nearer Rugby in view of transport and other difficulties.

DECISIONS ON POLICY.

On 1st January, 1940, an agreement between the Warwickshire Group of Contributory Schemes and the Warwickshire County Council came into force whereby the Association will pay the Warwickshire County Council the following assessments in respect of contributors or their dependents who receive treatment at Municipal Hospitals :—

Contributors 14/- per week.

Adult dependent 10/- per week.

Dependent children under 16 years of age, 7/- per week.

All payments to be made up to six weeks in the first instance, after which cases are to be re-considered on their merits.

During the year the Executive Committee had occasion to define their policy with regard to the admission of contributors and their dependents to Municipal Hospitals, and an explanatory leaflet was circulated to every member of the Association.

The Executive Committee also endorsed the decision previously made to maintain the title to the benefits of the scheme for members serving in the armed forces for a further period expiring in June, 1941, when the position will be again reviewed.

THANKS.

The Association tenders its warmest thanks to all who by their help and interest during the past year have enabled us to achieve the foregoing record of service to our members, and in particular we desire to express sincere thanks to :—

The Honorary Medical Staff of the Hospital for their services to the contributors and their dependents who receive treatment at the Hospital ;

The Mayor of Rugby, Ald. J. Mellor, and the Mayoress, Mrs. Sutton, for their presence at the inaugural meeting of the Christmas appeal ;

The voluntary collectors for the " 1d. in the £ " Scheme in town and district ; and the Christmas box appeal honorary collectors who gave freely of their time and whose loyal support is deeply appreciated ;

The Honorary Secretaries and collectors at works and business establishments for their continued co-operation ;

All employers and managements of firms who help by adding their quota to their workpeople's contributions ; and to

All who assisted in any way to ensure the success of the " 1d. in the £ " Scheme and its special efforts during 1940.

REPORT FOR 1940.

The activities of the Hospital Saturday Committee were curtailed in 1940 as a result of the War. Two meetings were held.

At the Annual Meeting held on 12th February, 1940, the Committee received with regret the resignation of Mrs. E. M. Bell, who had been a member for nearly 30 years.

The Committee were again deeply indebted to the President of the Hospital, Mrs. Arthur James, for her great kindness in allowing the grounds of Coton House to be opened to the public for the display of daffodils and spring flowers on the 20th and 21st April. Thanks to the hard work of members of the Committee and other helpers the sum of £51 12s. 5½d. was raised for the funds of the Hospital.

Members of the Committee again organised the North Street depot for Alexandra Rose Day on the 29th June. The collection amounted to £33 3s. 3d., being treble the amount received in 1939. The Committee are most grateful to Mr. Florendine who acted as Superintendent and to his collectors for a most encouraging result.

At the end of June, 1940, the Honorary Secretary, Captain W. Cockburn, left Rugby to take up an appointment at Wolverhampton. The Committee wish to place on record their appreciation of the support which they received from Captain Cockburn during the past 14 years and for his enthusiastic leadership and the organising ability which he placed at the disposal of the Committee in all the efforts undertaken by them for the benefit of the Hospital.

Apart from the Daffodil display and the help given on Rose Day, no other efforts were organised by the Committee during 1940, much to our regret. We can only look forward to the conclusion of the war, when we hope it will be possible to continue organising special efforts and so render service to our Hospital and assist it to carry on its work on behalf of the sick and suffering of Rugby and district.

The object of the Sportsmen's Bed Fund is to raise at least £130 annually for the maintenance of a bed at the Hospital of St. Cross for the use of injured sportsmen.

The Fund has also undertaken the task of raising £1,000 to name a bed at the Hospital of St. Cross in perpetuity, to be known as "The Sportsmen's Bed."

The Committee hope that every sporting organisation in Rugby and District will subscribe annually to the Fund. Amounts from 2/6d. upwards will gladly be received. It is also hoped that as many clubs as possible will organise at least one effort each year for the benefit of the Fund.

The Annual Meeting of the Fund was held on February 18th, 1941, when it was reported that there had been very little activity during the year 1940, as owing to the war there had been no opportunity for making any special appeals. In spite of this the Fund has justified its existence, as £178 13s. 1d. was received by the Secretary and £12 11s. 4d. was received by the Hon. Treasurer during the year. The Committee decided that the sum of £178 13s. 1d. should be retained in the Hospital General Fund to cover the cost of maintaining the Sportsmen's Bed and it was also decided to transfer the sum of £16 15s. 6d. to the Endowment Account, making a total of £757 12s. 10d. standing to the credit of that account.

The Hospital of St. Cross School for Orthopaedic Children.

ANNUAL REPORT.

During the school year ended March, 1940, forty-one children have been on the register, staying for periods varying from one week to the full year. The average attendance for the year was affected by the evacuation from the Hospital of all but the more serious cases at the beginning of the War and is therefore only 9.92.

Since Whitsuntide the holidays have been curtailed but otherwise the school has been open for the ordinary school terms. Last June the Wednesday visiting day for the children in the Sun Pavilion was discontinued and visitors were allowed on Saturday and Sunday only.

(Orthopaedic Teacher).

THE "TINY TIM" COT FUND.

The Rugby Branch of the Dickens' Fellowship has been working for a number of years to raise the sum of £500 in order to name a cot in perpetuity at the Hospital of St. Cross.

The Board of Management is extremely grateful to the Officers and Committee, who are listed below, for their kindly interest and valuable support.

X-RAY DEPARTMENT.

REPORT FOR 1940.

The work of the X-Ray Department in 1940 was approximately the same as in 1939 :—

No. of patients X-Rayed, 2,505.

No. of X-Ray treatments, 75.

No. of Ultra Violet light treatments, 203.

Many of these cases were patients from Coventry who needed special localisation of foreign bodies, and this work was of great assistance to the surgeons operating, and especially to the Ophthalmic surgeon.

The portable apparatus and a large number of films are kept at some distance from the main department as a precautionary measure.

(Signed) R. E. SMITH,
Hon. Radiologist.

PATHOLOGICAL DEPARTMENT.

REPORT FOR 1940.

There is little to add to last year's report in this Department, except that the amount and scope of the work continues to increase. The system of recording the type and number of examinations carried out in the Department has been revised and will be available for next year's report.

The question of space, which became an acute problem this year, has been temporarily relieved by transferring some of the work of the Department to a room and lobby nearby.

(Signed) R. C. HILL,
Honorary Pathologist.

BLOOD TRANSFUSION SERVICE.

REPORT FOR 1940.

The task of increasing this service has been an important item during the past year, and has been rewarded by the fact that there are now nearly 800 Blood Donors attached to the Hospital of St. Cross. The new donors (approximately 600) have been incorporated into an "Emergency Transfusion Service" for war purposes as apart from the normal peace-time Hospital of St. Cross Transfusion Service.

The Service is working in close collaboration with the Regional Blood Transfusion Service of the Ministry of Health, but is complete in itself in that it is responsible for maintaining (apart from the Donor list) all the apparatus and personnel for the actual carrying out of transfusion to patients.

This report would not be complete without acknowledging with gratitude the great assistance of members of the Regional Blood Transfusion Service, Capt. Cooper, of Birmingham (Regional Organiser of Blood Donor Services), the Lady Assistants of our own service, Church Magazines, the local Press, and, of course, the Blood Donors themselves.

(Signed) R. C. HILL,
Blood Transfusion Officer
